**Importance:** High

Everyone,

As you are probably aware we are trying to get a response back from senior management on **Deliberative Process / Ex. 5**

**Deliberative Process / Ex. 5**

For those of you are on the "TO" line of the email it seems prudent to look at **Deliberative Process / Ex. 5**

**Deliberative Process / Ex. 5**

**Deliberative Process / Ex. 5** Please take a look at the permit documents (we will not have more than a few days to complete our review) and send me a note when you have completed your review. You have access to the SharePoint site (you should have received an invite this morning) so you can edit in the documents and provide comment bubbles if something needs attention. If something significant is identified during your review, please let me know so I can set up a follow-up discussion with Region 8. Please complete your review by November 7<sup>th</sup> at the latest.

Thank you, Debra
